Cookie delivery

Four bakers each delivered a different cookie box. Their deliveries arrived one at a time.

Use every item and every position exactly once.

1. Iris was exactly two positions before the ginger cookie box.
2. Leo was in the first arrival position.
3. The cocoa cookie box was exactly two positions before Kira.
4. Leo was immediately next to the cocoa cookie box.
5. Leo was not assigned to the oat cookie box.
